Below the progress bar, a question asks: "Would you be interested in making a donation while you're here?". A checkbox is checked, and the text reads: "Yes! I'd like to make a donation along with this order". Below this, there are six buttons for donation amounts: "\$5", "\$10" (highlighted in green), "\$25", "\$50", "\$100", and "Other". Make sure to enter your full billing address, including street, city, postal index. Click on "Add credit card".

Kindly note, please, that WAPOR uses BluePay international payment system. It happens so that certain types of cards or cards issued in selected countries are not accepted by BluePay. In this case you will see an error message in red that "Blue Pay is not defined". As it has to do with the BluePay settings, WAPOR can not solve this issue. If you see this error, please, try entering details of another card.

The form is titled "Your Credit & Debit Cards" and has columns for "Name on card" and "Expires on". Below the title, it says "Add a New Credit/Debit Card". The form fields are: "Card Number:\*" (empty), "Name on Card:\*" (Kseniya Kizilova), "Expiration:\*" (mm/yyyy). Below these is "Billing Address: \*" with a dropdown menu showing ", US". A note says: "Click on the arrow to the right to refine this address, or click [here](#) to enter a different one." Below this are fields for "Line 1:" (508 Saint Cloud Road), "Line 2:", "Line 3:", "City:", "State:" (dropdown), "Postal Code:" (21015), and "Country:" (United States). At the bottom left, there is a link: "Go back to the list of available addresses."
